

# There'll Be Some Changes Made

Billy Higgins

Benton Overstreet

For there's a change in the weather, there's a change in the sea, so from now on there'll be a change in me. My

walk will be different, my talk and my name. Nothin' about me is goin' to be the same. I goin' to

change my way of livin', if that ain't enough, then I'll change the way that I strut my stuff. 'Cause

no-bod-y wants you when you're old and gray, there'll be some changes made to-day.

There'll be some changes made.
